We received a counter notification (below) in response to a [copyright removal request](#) that you submitted. A counter notification is a legal request for YouTube to reinstate a video that was removed due to a copyright removal request.

You have **10 US business days** to reply to this counter notification. Your response **must include evidence that you've taken legal action against the uploader** to keep the content from being reinstated to YouTube. Usually, evidence would include a lawsuit against the uploader, which names the YouTube URL(s) at issue and seeks a court order to restrain the alleged infringement.

Evidence should be submitted by replying directly to this email. Do not send your reply to copyright@youtube.com.

After 10 US business days, if we don't get a response from you, the content at issue may be reinstated to YouTube. You can find more information about the legal action you must take and what evidence is acceptable in our [Help Center](#).
